## MoBio kits

American company MoBio offer a complete line of nucleic acid extraction and purification kits for PCR products. MO BIO is the world's leading provider of Soil DNA and RNA isolation kits (including plastics, ethanol) from a variety of sample sources such as plasmid, soil, plant, blood, serum, tissue, mouse tails, water and others.

| Cat. number | Product  | Package           | Price EUR |
|-------------|--|-------------------|-----------|
| 12000-100   | UltraClean™ Blood DNA Isolation Kit (Non-Spin)       | 100 reactions     | 80 €      |
| 12000-1000  | UltraClean™ Blood DNA Isolation Kit                  | -                 | 894 €     |
| 12002-1000  | UltraClean™ Blood DNA Isolation Kit Plus RNase       | -                 | 1 092 €   |
| 12200-250   | UltraClean™ BloodSpin™ DNA Isolation Kit             | 250 reactions     | 420 €     |
| 12200-50    | UltraClean™ BloodSpin™ DNA Isolation Kit             | 50 reactions      | 95 €      |
| 12230-50    | BiOstic™ Blood Total RNA Isolation Kit               | 50 reactions      | 341 €     |
| 12230-20    | BiOstic™ Blood Total RNA Isolation Kit               | 20 reactions      | 179 €     |
| 12210-10    | UltraClean™ Mega BloodSpin™ DNA Isolation Kit        | 10 reactions      | 127 €     |
| 12296-12    | UltraClean-htp™ 96 Well BloodSpin™ DNA Isolation Kit | 12 x 96 reactions | 1 505 €   |
| 12296-4     | UltraClean-htp™ 96 Well BloodSpin™ DNA Isolation Kit | 4 x 96 reactions  | 558 €     |
| 12230-50    | BiOstic™ Blood Total RNA Isolation Kit               | 50 reactions      | 273 €     |
| 12230-20    | BiOstic™ Blood Total RNA Isolation Kit               | 20 reactions      | 143 €     |
| 12231-20    | BiOstic™ Stabilized Blood RNA Isolation Kit          | 20 reactions      | 200 €     |
| 12231-50    | BiOstic™ Stabilized Blood RNA Isolation Kit          | 50 reactions      | 473 €     |
| 12231-100   | BiOstic™ Stabilized Blood RNA Isolation Kit          | 100 reactions     | 893 €     |
| 15800-250   | UltraClean™ Microbial RNA Isolation Kit              | 250 reactions     | 758 €     |
| 15800-50    | UltraClean™ Microbial RNA Isolation Kit              | 50 reactions      | 159 €     |
| 10196-12    | UltraClean-htp™ 96 Well Microbial DNA Isolation Kit  | 12 x 96 reactions | 1 749 €   |
| 10196-4     | UltraClean-htp™ 96 Well Microbial DNA Isolation Kit  | 4 x 96 reactions  | 627 €     |
| 12224-250   | UltraClean™ Microbial DNA Isolation Kit              | 250 reactions     | 423 €     |
| 12224-50    | UltraClean™ Microbial DNA Isolation Kit              | 50 reactions      | 95 €      |
| 12225-25    | PowerMicrobial™ Midi DNA Isolation Kit               | 25 reactions      | 484 €     |
| 12226-25    | PowerMicrobial™ Maxi DNA Isolation Kit               | 25 reactions      | 557 €     |
| 12240-50    | BiOstic™ Bacteremia DNA Isolation Kit                | 50 reactions      | 115 €     |
| 12300-100   | UltraClean™ 6 Minute Mini Plasmid Prep Kit           | 100 reactions     | 82 €      |
| 12300-250   | UltraClean™ 6 Minute Mini Plasmid Prep Kit           | 250 reactions     | 182 €     |
| 12300-50    | UltraClean™ 6 Minute Mini Plasmid Prep Kit           | 50 reactions      | 40 €      |
| 12301-100   | UltraClean™ Standard Mini Plasmid Prep Kit           | 100 reactions     | 78 €      |
| 12301-250   | UltraClean™ Standard Mini Plasmid Prep Kit           | 250 reactions     | 192 €     |
| 12301-50    | UltraClean™ Standard Mini Plasmid Prep Kit           | 50 reactions      | 42 €      |
| 12396-12    | UltraClean-htp™ 96 Well Plasmid Prep Kit             | 12 x 96 reactions | 1 237 €   |
| 12396-4     | UltraClean-htp™ 96 Well Plasmid Prep Kit             | 4 x 96 reactions  | 458 €     |
| 12600-10    | UltraClean™ Maxi Plasmid Prep Kit                    | 10 reactions      | 88 €      |
| 12600-20    | UltraClean™ Maxi Plasmid Prep Kit                    | 20 reactions      | 162 €     |
| 12700-20    | UltraClean™ Midi Plasmid Prep Kit                    | 20 reactions      | 109 €     |
| 12700-50    | UltraClean™ Midi Plasmid Prep Kit                    | 50 reactions      | 219 €     |
| 12311-100   | UltraClean™ Endotoxin-Free Mini Plasmid Prep Kit     | 100 reactions     | 146 €     |
| 12311-250   | UltraClean™ Endotoxin-Free Mini Plasmid Prep Kit     | 250 reactions     | 308 €     |
| 12611-10    | UltraClean™ Endotoxin-Free Maxi Plasmid Prep Kit     | 10 reactions      | 131 €     |
| 12615       | UltraClean™ Endotoxin Removal Kit                    |                   | 170 €     |
| 12616       | UltraClean™ Endotoxin-Free Ethanol Precipitation Kit |                   | 107 €     |
| 12711-10    | UltraClean™ Endotoxin-Free Midi Plasmid Prep Kit     | 10 reactions      | 79 €      |

| <b>TISSUE</b>       | 12334-250     | UltraClean™ Tissue & Cells DNA Isolation Kit     | 250 reactions                       | 420 €         |
|                     | 12334-50      | UltraClean™ Tissue & Cells DNA Isolation Kit     | 50 reactions                        | 97 €          |
|                     | 12996-12      | UltraClean-htp™ 96 Well Tissue DNA Isolation Kit | 12 x 96 reactions                   | 1 714 €       |
|                     | 12996-4       | UltraClean-htp™ 96 Well Tissue DNA Isolation Kit | 4 x 96 reactions                    | 614 €         |
|                     | 15000-250     | UltraClean™ Tissue RNA Isolation Kit             | 250 reactions                       | 760 €         |
|                     | 15000-50      | UltraClean™ Tissue RNA Isolation Kit             | 50 reactions                        | 159 €         |
|                     | 12250-50      | BiOstic™ FFPE Tissue DNA Isolation Kit           | 50 reactions                        | 144 €         |
|                     | 12251-50      | BiOstic™ Paraffin Removal Reagent                | 50 reactions                        | 21 €          |
| <b>GELSPIN</b>      | 12400-100     | UltraClean™ GelSpin™ DNA Extraction Kit          | 100 reactions                       | 119 €         |
|                     | 12400-250     | UltraClean™ GelSpin™ DNA Extraction Kit          | 250 reactions                       | 286 €         |
|                     | 12400-50      | UltraClean™ GelSpin™ DNA Extraction Kit          | 50 reactions                        | 67 €          |
| <b>PURIFICATION</b> | 12100-300     | UltraClean™ 15 DNA Purification Kit              | 300 reactions                       | 109 €         |
|                     | 12500-100     | UltraClean™ PCR Clean-Up Kit                     | 100 reactions                       | 124 €         |
|                     | 12500-250     | UltraClean™ PCR Clean-Up Kit                     | 250 reactions                       | 298 €         |
|                     | 12500-50      | UltraClean™ PCR Clean-Up Kit                     | 50 reactions                        | 70 €          |
|                     | 12596-12      | UltraClean-htp™ 96 Well PCR Clean-Up Kit         | 12 x 96 reactions                   | 964 €         |
|                     | 12596-4       | UltraClean-htp™ 96 Well PCR Clean-Up Kit         | 4 x 96 reactions                    | 376 €         |
| <b>SOIL</b>         | 12800-100     | UltraClean™ Soil DNA Isolation Kit               | 100 reactions                       | 331 €         |
|                     | 12800-50      | UltraClean™ Soil DNA Isolation Kit               | 50 reactions                        | 174 €         |
|                     | 12866-25      | RNA PowerSoil™ Total RNA Isolation Kit           | 25 reactions                        | 198 €         |
|                     | 12877-50      | PowerClean™ DNA Clean-Up Kit                     | 50 reactions                        | 147 €         |
|                     | 12888-100     | PowerSoil™ DNA Isolation Kit                     | 100 reactions                       | 397 €         |
|                     | 12888-50      | PowerSoil™ DNA Isolation Kit                     | 50 reactions                        | 205 €         |
|                     | 12896-12      | UltraClean-htp™ 96 Well Soil DNA Isolation Kit   | 12 x 96 reactions                   | 3 091 €       |
|                     | 12896-4       | UltraClean-htp™ 96 Well Soil DNA Isolation Kit   | 4 x 96 reactions                    | 1 144 €       |
|                     | 12900-10      | UltraClean™ Mega Soil DNA Isolation Kit          | 10 reactions                        | 178 €         |
|                     | 12955-12      | PowerSoil-htp™ 96 Well Soil DNA Isolation Kit    | 12 x 96 reactions                   | 3 238 €       |
|                     | 12955-4       | PowerSoil-htp™ 96 Well Soil DNA Isolation Kit    | 4 x 96 reactions                    | 1 199 €       |
|                     | 12988-10      | PowerMax™ Soil DNA Isolation Kit                 | 10 reactions                        | 186 €         |
|                     | 12867-25      | PowerSoil DNA/RNA Elution Accessory Kit          | 25 reactions                        | 128 €         |
|                     | 12868-10      | LifeGuard™ Soil Preservation Solution            | 10 ml                               | 21 €          |
|                     | 12868-100     | LifeGuard™ Soil Preservation Solution            | 100 ml                              | 163 €         |
|                     | 12868-1000    | LifeGuard™ Soil Preservation Solution            | 1000 ml                             | 1 361 €       |
|                     | 12868-7500    | LifeGuard™ Soil Preservation Solution            | 7 500 ml                            | 6 417 €       |
| <b>PLANT</b>        | 13000-250     | UltraClean™ Plant DNA Isolation Kit              | 250 reactions                       | 559 €         |
|                     | 13000-50      | UltraClean™ Plant DNA Isolation Kit              | 50 reactions                        | 115 €         |
|                     | 13001-50      | UltraClean™ Plant DNA Isolation Kit Reagent Set  | 50 reactions                        | 94 €          |
|                     | 13096-12      | UltraClean-htp™ 96 Well Plant DNA Isolation Kit  | 12 x 96 reactions                   | 1 697 €       |
|                     | 13096-4       | UltraClean-htp™ 96 Well Plant DNA Isolation Kit  | 4 x 96 reactions                    | 612 €         |
|                     | 13200-100     | PowerPlant™ DNA Isolation Kit                    | 100 reactions                       | 271 €         |
|                     | 13200-50      | PowerPlant™ DNA Isolation Kit                    | 50 reactions                        | 147 €         |
|                     | 13300-20      | UltraClean™ Plant RNA Isolation Kit              | 20 reactions                        | 91 €          |
|                     | 13300-50      | UltraClean™ Plant RNA Isolation Kit              | 50 reactions                        | 217 €         |
|                     | <b>FE-CAL</b> | 12811-100  | UltraClean™ Fecal DNA Isolation Kit | 100 reactions |
